

SAFETY PRECAUTIONS

when handling freshly mixed concrete

Safety glasses

Always protect your eyes against cement splatter or concrete spill – use eye protection.

Work clothes

Always wear coveralls with long sleeves and trousers, even in warm weather. Pull trouser legs down over your boots. Change clothing that has become saturated with fresh concrete.

Work gloves

Always protect your hands with waterproof gloves.

Boots

Always wear safety boots. Pull trouser legs down over boot shafts to prevent concrete seeping into the boots

Knee pads and kneeling mats

Always use knee pads and waterproof kneeling mats when finishing concrete floors. If expanded polystyrene is being used, it should be covered with plastic.

**Fresh concrete is caustic.
Direct skin contact should be avoided.**

Signal word

Danger

Hazard statements

H315 Causes skin irritation.
H318 Causes serious eye damage.

Precautionary statements

P102 Keep out of reach of children.
P280 Wear protective gloves/protective clothing/eye protection/face protection.
